A benchmark achievement and one of the most life--and death--as he travels to the brink of mortality and lives to tell about it. As I Lay Dying is Faulkner's harrowing account of the Bundren family's odyssey across the Mississippi. The “Backgrounds and Contexts” section covers Faulkner, his work, and early receptions of the novel. A variety of theoretical essays can be found in the “Criticism” section on features William Faulkner's experimental Southern novel with editorial annotations. This canonical twentieth-century work centers on the Bundren family following the death of matriarch Addie Bundren. The story uses fifteen separate and largely unreliable narrators to describe the arduous trip that the surviving members of the family make to bury Addie in Jefferson, 40 miles away. The story starts with the eldest kid of the Bundren family making his mother's coffin and the mother watching through the window. People gathered around her are depicted as buzzards that are waiting for her to die. Addie Bundren soon after fulfills their silent wish and dies, but not before making her husband, Anse, promise to bury her in her home town Jefferson, 40 miles away. The family starts making their journey. They start a quest for the coffin to Jefferson, Jefferson, the final resting place. Along the way, the family suffers many inconveniences and misadventures. They encounter many characters, such as the local people of the town, the mules they use to carry the coffin, and the strange events that happen to them. They all contribute to the story and add color to the journey. The story becomes more and more chaotic as they continue their journey. The family members are all in different moods and have different thoughts about their journey. The eldest son, Cash, is a. William Faulkner, whose work has had a significant impact on American literature, is the author of As I Lay Dying. He is one of the most important writers of the 20th century. He is known for his experimental style, which includes the use of multiple narrators andstream of consciousness techniques. He is also known for his use of the South as a setting for his stories. He is a master of the Southern Gothic genre, and his stories often focus on the lives of people living in the South. This story is a family saga, and it tells the story of the Bundren family as they travel to bury their mother in Jefferson.
