"I cannot be patient, I cannot be passive, when my virtue is in danger." Fifteen-year-old Pamela Andrews, alone and unprotected, is relentlessly pursued by her dead mistress's son. Although she is attracted to young Mr. B., she holds out against his demands and threats of abduction. Determined to defend her personal standards, Pamela is emotionally acute in its investigations of love, freedom and power. Richardson's first novel caused a sensation when it was first published, with its depiction of a servant heroine who dares to assert herself. Richly comic and full of lively scenes and descriptions, Pamela contains a diverse cast of characters, ranging from the vulgar and malevolent Mrs. Jeeves to the aggressive but awkward country squires who serve this unusual love story as both its villain and its hero. This edition incorporates all the revisions made by Richardson in his lifetime. Margaret A. Doody's introduction discusses the genre of epistolary novels, and examines characterization, the role of women and class differences in Pamela. For more than seventy years, Pamela has been a staple of the English literary curriculum. A number of notable, contemporary authors have written about Pamela, and its influence is seen in a wide range of other works, including Jane Austen's Emma and D.H. Lawrence's Kangaroo. Pamela represents a global bestseller of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

our perception of literary history.

Clarissa Harlowe, the tragic heroine of Clarissa, is a beautiful and virtuous young lady whose family has become wealthy only recently and now desires to become part of the aristocracy. Their original plan was to concentrate the wealth and lands of the Harlowes into the possession of Clarissa's brother James Harlowe, whose wealth and political power will lead to his being granted a title. Clarissa's story is that of a young woman who is forced to marry a man who is not suitable for her, and who struggles to maintain her virtue in the face of temptation and adversity. Throughout the novel, Richardson explores the themes of family, love, and virtue, and portrays the conflicts and challenges that Clarissa faces in her pursuit of a happy and virtuous life.
